Greetings!

I hope this email finds you well. The Los Angeles Police Department is planning an LGBTQ forum that will be held at the CBS Studio Center at [4024 Radford Avenue in Studio City](#). Police Chief Charlie Beck, Deputy Chief Beatrice Girmala, and Commissioner Sandra Figueroa-Villa will be on the panel.

The forum will begin with a welcome by Chief Beck, followed by various presentations. There will be an open dialog with a the panel and those in attendance including a question and answer portion where attendees can address any LGBTQ related concerns in regards to the police department.

It is forums just like this that have in the past lead to changes within our department; creating policies directly related to how officers handle searches of transgender detainees, and how transgender arrestees are housed in LAPD jails.

Please share the attached flyer with friends, family, neighbors, co-workers, and anyone else that might be interested in attending and sharing their thoughts and opinions with a few of the highest ranking members of the Los Angeles Police Department. If you, or anyone you know, are planning on attending, please let me know either by sending me a quick email or calling me at [\(213\)973-0708](tel:2139730708), as this event will be catered.

Thank you!

Captain Howard Leslie
Commanding Officer
